

A portrait of Ron Harness, a Black man with a grey beard and glasses, wearing a dark checkered blazer over a black shirt. He is standing in a modern interior with black pendant lights. His right hand is near his chin, and his left hand is on his hip, wearing a gold watch. The background shows a kitchen area with a white countertop and dark cabinets.

# WHO AM I

I'm Ron Harness, founder of life coaching platform Kingdom Business University. I work with entrepreneurs who feel stuck, singles and couples trying to rebuild, and high-capacity people who've done "all the right things" but still feel like something's off. We don't just help you reach goals—we help you get your life back in order. Because when your foundation is shaky, your progress won't hold. **Get clear on who you are—and what you build stops falling apart.**

When who you are and what you do **don't align**, you won't just feel stuck—you'll start breaking what you were **meant to build** ”
